Commissioner for Patents

Receipt is acknowledged of a request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e) and a submission, filed on 06 February 2006. The submission, however, is not fully responsive to the prior Office action because the applicant did not specifically reply to the rejection in the prior office action. The reply must present arguments pointing out the specific distinctions believed to render the claims patentable over any applied references (37 CFR 1.111). Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period for reply supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
